

AIRC 2024

We are thrilled to extend a warm invitation to you for the 5th International Conference on Artificial Intelligence, Robotics, and Control (AIRC 2024), slated to unfold between April 22-24, 2024, at The British University in Egypt, located in the historic city of Cairo. We cordially encourage you to contribute your latest research to AIRC 2024. This is more than just an academic conference; it's an opportunity to engage with leading experts, strengthen interdisciplinary collaborations, and immerse yourself in the enduring legacy of a region that has been a focal point of human history for over 5,000 years.

We eagerly await your participation and are looking forward to welcoming you to Cairo, a city where the past and future coalesce in captivating harmony. See you in Egypt!

CALL FOR PAPERS

Topics of interest include, but are not limited to:

Artificial Intelligence

- * AI architectures and applications Agents
- * Information retrieval and integration
- * Data mining
- * Computer vision and image reconstruction
- * Computer Games
- * Natural language processing
- * Knowledge-based systems
- * Probabilistic and uncertain reasoning
- * Expert systems
- * Fuzzy systems

Intelligent Robotics

- * Robot design
- * Robot kinematics/dynamics/control
- * AI in robots
- * Sensor/actuator networks
- * Multi-sensor data fusion
- * Distributed and cloud robots
- * Bio-inspired robots
- * Service robots
- * Humanoid robots
- * Human-robot interaction
- * Medical robots (surgery, rehabilitation)

Control Engineering

- * Man-machine interactions
- * System integration
- * Nonlinear systems and control
- * Discrete event systems
- * Hybrid systems
- * Adaptive and robust control
- * Data/Event driven modeling and control
- * Networked control systems
- * Process control
- * Control of biological systems
- * Cooperative control

For more information, please visit
<http://www.airc.org/cfp.html>

Conference Proceedings

The submitted papers will be peer reviewed by the international technical committee members and international reviewers.

The accepted and registered papers will be published in **AIRC 2024 Conference Proceedings**, which will be archived in **IEEE Xplore**, and indexed by **El Compendex**, **Scopus**, and other indexing services.

Paper Submission

Full Paper should be prepared according to the following template:

[Paper Template \(word format\)](#)

[Paper Template \(Latex\)](#)

For those who want to do presentation only without paper publication, **Abstract** should be prepared according to the following template:

[Abstract Template](#)

Submission Method

1. [Electronic Submission System](#)
2. Conference Email: airc_conf@outlook.com.

Important Dates

Submission Deadline (Full Paper & Abstract): February 10th, 2024

Notification Date (Full Paper or Abstract) : March 1st, 2024

Registration Deadline : March 15th, 2024

Conference Dates: April 22-24, 2024
